

MyPath - Device and browser support

Recommended browsers

We actively test on the following browsers and recommend these for best results.

- Google Chrome Latest
- Internet Explorer 11

The following browsers should all display content correctly. If you have a browser on this list and are having difficulties please contact our support team.

Operating system	Minimum browser required
Windows	Chrome 49 and newer Internet Explorer 11 Edge 13 and newer Firefox 46 and newer
MacOS	Safari 7.0 and newer (OS X v10.9+) Chrome 49 and newer Firefox 46 and newer
Linux	Chrome 49 and newer Firefox 46 and newer
Apple iOS *	Safari iOS 7 and newer Chrome Mobile 49 and newer
Android *	Chrome Mobile 49 and newer Firefox 46 and newer

*To display some content on iOS and Android you may need the Articulate Mobile Player

[Articulate Mobile Player for iOS](#)

[Articulate Mobile Player for Android](#)

To see what browser you are using, see:

<https://www.whatbrowser.org/>

If you do not have a browser which matches this list we recommend you update your browser version or download the latest Google Chrome:
