REAL Assessor training workshops - March 2017

In 2016 Careerforce introduced the REAL Assessor training workshops for assessors. It has been our goal to have all assessors attend these workshops. If you have already attended a REAL Assessor training workshop, there is no need to attend again. We will soon be offering a new professional development opportunity for you – watch this space.

For those who haven't attended a workshop, please look at the schedule below. It will help you build on your knowledge and skills in assessment. Use the Careerforce REAL model for respectful, efficient, applied and living training and assessment. **Observers are very welcome to attend these workshops as well.** More information about REAL Observers can be found [here](#).

What past attendees have said
