

Moderator's Interpretation #002

Date Issued:	28 th May 2019
Unit standard: Number, title, version	26981 Describe risks, impacts, and actions for falls and minimise risk of falls in a health or wellbeing setting, Version 2
Issue:	Needs to have an additional EN added to cover practical requirement in ER 3.1 to be consistent with other unit standards. ie 'Evidence for the practical components of this unit standard must be gathered in the workplace.'
Interpretation:	ER 3.1 is interpreted to be evidence must be gathered in the workplace.
Action required:	Unit standard to be revised. Careerforce assessment materials continue to meet the unit standard as the most recent assessment says "For this task, you need to show that you can take actions to minimise the risk of falls and follow your organisation's policy and procedures for minimising falls in your workplace." Assessor practice does not need to change.
