

Moderator's Clarification #001

Date Issued: 26th March 2017

Unit standard: 27833 Support people to use assistive equipment and move in a health or wellbeing setting, Version 2

Issue: Grammar and interpretation of range statement of ER 1.3.
Range statement for ER 1.3 currently reads:

Range hazards include but are not limited to those relate to – workplace organisation and practices, working hours, the work environment, people accessing services, carers and the use of moving and handling techniques. Evidence is required for two hazards for each item in the range.

Interpretation: Range of ER 1.3 is interpreted to mean:

Range hazards include but are not limited to those related to workplace organisation and practices including – working hours, the work environment, people accessing services, carers and the use of moving and handling techniques. Evidence is required for two hazards for each item in the range.

Action: Unit standard to be reviewed. Careerforce assessment materials continue to meet the unit standard, assessor practice does not need to change.

Status: Under action.
