 - *Health or wellbeing setting* includes but is not limited to: the aged care, acute care, community support, disability, mental health, social services and youth development sectors.
 - *Peer leadership*: refers to providing leadership within a team without being delegated the position formally in a health or wellbeing setting, and may include role modelling, dealing with conflict, problem-solving, delegation, negotiation, providing guidance, motivating self and others, creating and maintaining positive environments, encouraging self-awareness, development of colleagues and empowering others.

- *Personal leadership*: refers to taking personal responsibility for own development and contributing to the team development in a health or wellbeing setting, and may include self-awareness, self-reflection, obtaining feedback from others, taking responsibility, professional development and career planning.

Outcomes and performance criteria

Outcome 1

Describe leadership principles and qualities in a health or wellbeing setting.

Performance criteria

1.1 Peer leadership principles are described in terms of roles and responsibilities in the context of own workplace.

Range roles and responsibilities may include but are not limited to: role modelling, dealing with conflict, problem-solving, delegation, direction, negotiation, providing guidance, motivating self and others, creating and maintaining positive environments, encouraging self-awareness and development of colleagues, empowering others, feeding back; evidence is required of a situational example for each of four roles and responsibilities.

1.2 Personal leadership principles are described in terms of responsibilities in the context of own workplace.

Range responsibilities may include but are not limited to: self-awareness, self-reflection, obtaining feedback from others, taking responsibility, professional development, planning; evidence is required of a situational example for each of four responsibilities.

1.3 Leadership qualities are described in terms of behaviours that demonstrate principles of effective leadership in the context of own workplace.

Range behaviours may include but are not limited to: empathy, objectivity, transparency, accountability, responsibility, honesty, integrity, assertiveness, consistency, ethical and professional conduct; evidence is required of a situational example for each of four qualities.
