~~2 — It is an ethical requirement that the mentees' anonymity is assured and that the mentees have agreed in writing to have their cases discussed.~~

~~3 — Candidates' practice must reflect appropriate values, processes, and protocols in relation to working with Māori and Pacific peoples and/or people from other cultures, in a range of settings and environments.~~

### 34 Definitions:

- ~~Health or wellbeing setting~~ includes but is not limited to:— the aged care, acute care, community support, disability, mental health, social services and youth development sectors.
- ~~Peer mentor~~ refers to a person working in a role in a health or wellbeing setting with a specific skill set in their area of expertise which includes a range of knowledge, skills and experience. ~~A peer mentor will draw on their own expertise to provide information, support, and encouragement to a peer mentee in an informal mentoring relationship. The purpose of this relationship is for the peer mentee to improve and expand their skill set.~~
- ~~Peer mentee~~ refers to a person being mentored by a peer in a same or similar role with a different skill set. ~~The aim is for the peer mentee to improve and expand their skill set.~~
- ~~Organisational policies and procedures: policies, procedures, and methodologies of an organisation. They include legislative and regulatory requirements which may apply across an organisation, a specific site, or a workplace. Requirements are documented in organisational health and safety plans, contract work programmes, quality assurance programmes, policies, and procedural documents such as job descriptors and employment contracts.~~ ~~Organisational policies and procedures — policies, procedures, and methodologies of an organisation. They include legislative and regulatory requirements which may apply across a company, a specific site, or a workplace. Requirements are documented in the company's health and safety plans, contract work programmes, quality assurance programmes, policies and procedural documents and codes of ethics.~~

~~4 — It is an ethical requirement that the mentees' anonymity is assured and that the mentees have agreed in writing to have their cases discussed.~~

~~5 — Candidates' practice must reflect appropriate values, processes, and protocols in relation to working with Māori and Pacific peoples and/or people from other cultures, in a range of settings and environments.~~

---
