4 Definitions

Health or wellbeing setting includes but is not limited to – the aged care, acute care, community support, disability, mental health, social services, and youth development sectors.

Organisational policies and procedures – policies, procedures, and methodologies of an organisation. They include legislative and regulatory requirements which may apply across an organisation, a specific site, or a workplace. Requirements are documented in organisational health and safety plans, contract work programmes, quality assurance programmes, policies, and procedural documents.

Support should aim to maintain, improve, or restore a person's independence and/or interdependence by utilising the person's existing strengths and appropriate resources; but may include providing assistance to enable a person's health and wellbeing needs to be met.

Māori values may include but are not limited to whakawhanaungatanga, manaakitanga, kaitiakitanga, kotahitanga.

- *Whakawhanaungatanga* – The value of supporting identity, connection and relationships to support greater wellbeing.
- *Manaakitanga* – Supporting people in a way that recognises their mana to support greater wellbeing.
- *Kaitiakitanga* – The value of recognising, nurturing and protecting that which is important, in order to engage in trusting relationships to support greater wellbeing.
- *Kotahitanga* – The value to working collaboratively to support greater wellbeing.

Organisational policies and procedures – policies, procedures, and methodologies of an organisation. They include legislative and regulatory requirements which may apply across an organisation, a specific site, or a workplace. Requirements are documented in organisational health and safety plans, contract work programmes, quality assurance programmes, policies, and procedural documents.

Support should aim to maintain, improve, or restore a person's independence and/or interdependence by utilising the person's existing strengths and appropriate resources; but may include providing assistance to enable a person's health and wellbeing needs to be met.

Tangata whai ora - service user seeking wellness, consumer seeking wellness, person seeking wellness.
