## New Zealand Certificate in Cleaning (Level 2)

### Qualification and programme overview

This qualification is suitable both for people entering the cleaning industry and to recognise the skills and knowledge of those already employed in the cleaning industry.

The Health Care Facilities Cleaning optional endorsement builds on the core skills and knowledge to recognise the skills required for cleaning specifically in healthcare facilities under supervision.

This programme aims to encourage safe work practices, and develop skills related to cleaning effectively and efficiently.

### The programme includes developing and/or recognising the following competencies in your staff:

- Carrying out generic cleaning duties.
- Maintaining safety of themselves, others and the environment when performing cleaning services.
- Communicating within the boundaries of their role.
- Applying security procedures.

### Trainees completing the optional Health Care Facilities Cleaning endorsement will also be able to:

- Apply infection control and contamination prevention procedures, under supervision.

### Learning and assessment resources

Online learning and assessments can be done through Aka Toi, the Careerforce online learning platform. Access to interactive learning activities, theory content and assessment is now available for this qualification.

Paper-based learning and assessment resources are also available. These can be customised to your organisation. Get in touch with your Workplace Advisor to find out more about this option.

## Supporting you

Careerforce is the Industry Training Organisation (ITO) for the growing health and wellbeing, social and community, cleaning and urban pest management sectors. We support employers to implement workplace-based training, enabling employees to achieve nationally recognised qualifications and deliver positive outcomes.

Every year we help thousands of trainees to get recognised qualifications and progress their knowledge and skills to improve their practice. With the right training programme, staff are able to contribute to their organisations and provide quality support to many people.

We are there every step of the way: from workforce development planning, to helping you establish a training culture, including training your workplace assessors, to providing rich and relevant resources and connections with the wider sector.
