IDEAL FOR:

Experienced cleaners who want to gain specialist skills and knowledge in one of five specialist areas of cleaning: Contagion and Specialised Infection Control, Carpet & Textiles, Hard Floor Surfaces, Food Production and High Risk Environments

New Zealand Certificate in Cleaning (Level 3) *Specialist Cleaning Strand*

Qualification and programme overview

This qualification will provide the cleaning sector with a workforce that can deliver, guide and promote safe and high-quality cleaning services. This is designed for experienced cleaners working in commercial, residential, health and domestic situations. Graduates will be awarded the New Zealand Certificate in Cleaning (Level 3) (Specialist Cleaning).

All programmes incorporate units of the general programme plus specific units from one of five specialist areas:

1. Contagion and specialised infection control – to control the spread of infection and prevent contamination in the workplace.
2. Carpet and textiles – to clean and rehabilitate water-affected carpet for clients.
3. Hard floor surfaces – to clean, maintain and restore hard floor surfaces.
4. Food production – to prevent infection and cross contamination and apply safe food cleaning practices.
5. High risk environments – to carry out specialist cleaning and restoration in high-risk environments including a crime scene, biohazard disposal, builder's clean-up, smoke and fire-damaged interiors, flood-damaged environments, hoarded properties, industrial cleaning, or a trauma scene.

Learning and assessment resources

Paper-based learning and assessment resources are available. These can be customised to your organisation. Get in touch with your Workplace Advisor to find out more about accessing our resources.

Supporting you

Careerforce is the Industry Training Organisation (ITO) for the growing health and wellbeing, social and community, cleaning and urban pest management sectors. We support employers to implement workplace-based training, enabling employees to achieve nationally recognised qualifications and deliver positive outcomes.

Every year we help thousands of trainees to get recognised qualifications and progress their knowledge and skills to improve their practice. With the right training programme, staff are able to contribute to their organisations and provide quality support to many people.

We are there every step of the way: from workforce development planning, to helping you establish a training culture, including training your workplace assessors, to providing rich and relevant resources and connections with the wider sector.

Get in touch with your regional Workplace Advisor:

Across New Zealand, we have Careerforce Workplace Advisors ready to help. Tap into their expertise to find a suitable qualification for your staff at different levels, and ask about the grants and funding available. We'll work together to develop your workforce.
